What do I need to know about the invoice?

Julika Rottler - 2025-01-24 - End of contract & acquisition

You will receive the invoice after you have already paid the amount. You do not need to make any further payment.

The invoice will be sent approximately two weeks after the end of use.

You will receive the invoice as a .pdf by e-mail.

The invoice will be sent to the e-mail addresses we have on record.

The invoice consists of at least two pages. You will find the item listing on the second page.
